

Debate Competition Report

Debate Competition on "Operation Bunyan-Um-Marsoos" In Celebration of Independence Day and in Support of Pakistan Armed Forces

Organized by

Department of Information and Computing
University of Sufism and Modern Sciences, Bhitshah

Date: 5th August 2025

To commemorate the spirit of Independence Day and to express solidarity with the Pakistan Armed Forces, the Department of Information and Computing at the University of Sufism and Modern Sciences, Bhitshah, organized a seminar titled "Debate Competition on Operation Bunyan-e-Marsous" on 1st August 2025. This patriotic event was organized in support of the Welfare Officer Mr. Syed Wasif Ali Shah and was a part of the University's series of activities planned to celebrate the Independence of Pakistan. The event was attended by Head of Department (HoD) Dr. Muhammad Qasim Memon, faculty members, and students from Computer Science (CS) and Information Technology (IT) programs. The enthusiastic participation of students reflected their commitment to national causes and appreciation of the sacrifices made by our armed forces.

Event Highlights

- The debate competition centered around Operation Bunyan-e-Marsoos, a significant counter-terrorism operation by the Pakistan Armed Forces aimed at restoring peace and security within the country.
- Students passionately spoke on various aspects of the operation including its strategic importance, the role of the armed forces, and the unity it inspired among citizens.

- The event served as a platform to highlight the bravery and dedication of Pakistan's military and emphasized the importance of national unity and defense awareness.

Acknowledgements

We extend our heartfelt gratitude to our Worthy Vice Chancellor for their continuous support and facilitation in making this event a success. Their encouragement has been instrumental in promoting co-curricular and national spirit-building activities in the department.

Conclusion

The seminar successfully achieved its objective of instilling a sense of patriotism among students while honouring the efforts of the Pakistan Armed Forces. The Department of Information and Computing remains committed to organizing such meaningful events that educate, engage, and inspire students to play a responsible role in society.
